AWARDS

Lead Art Director for over six
American Advertising Awards

ABOUT

I am an award winning Art Director, a passionate Graphic Designer, and a driven Web Developer. I am an experienced integrated marketing professional dedicated to finding elegant solutions. I thrive in collaborative environments seeking creative perfection. No challenge is too big or small. I constantly learn, adapt, and grow.

EXPERIENCE

SmithGifford, Art Director, Falls Church, VA, USA

2012-2014

- Managed production of multi-media campaigns and brand identity projects by developing concepts and marketing strategies. Directed, designed, and created all artwork.
- Collaborated on art direction with web developers to create an array of custom-branded online user experiences, including websites, blogs, email blasts, and online advertising; incorporated responsive design techniques into artwork layouts to provide clients with artwork for use on multiple platforms.
- Concepted, storyboarded, pitched, and created final art cards for TV commercials. Oversaw production, editing, audio, and color correction.
- Created and produced print media layouts for marketing collateral, outdoor advertising, and advertisements for magazine and newspapers.
- Established and managed collaborative relationships with creative teams, account teams, developers, production companies, and printers.

Two Degrees Food, Brand Ambassador, Washington DC, USA

2011-2012

- Developed and executed sales plan resulting in six new retailers carrying Two Degrees Food bars
- Coordinated ordering and displaying Two Degrees bars for retail managers; supplied marketing materials.
- Tracked sales per outlet, and managed relationships with retail managers.

Black Sun Plc, Graphic Design Intern, London, England

July-August 2011

- Produced graphics for corporate annual reports; conducted conceptual research and exploration on the latest trends in annual reporting
- Created information graphics from concept to production for a visual representation of BlackSun's services.
- Designed layouts for annual report spreads, information graphics, and DVD cases.

Gerber Juice Ltd. Marketing Intern, Bridgwater, England

July - August 2010

- Developed and executed sales plan resulting in six new retailers carrying Two Degrees Food bars
- Coordinated ordering and displaying Two Degrees bars for retail managers; supplied marketing materials.
- Tracked sales per outlet, and managed relationships with retail managers.

Dole Europe, Website Analysis Intern, Paris, France

June - July 2008

- Evaluated effectiveness of all Dole European websites by monitoring and assessing traffic; presented possible improvements in French and English.
